

Great Day! Scheduled Tour Summary

DINING ON THE WEST VIRGINIA RAILS

SAT-SUN JUNE 18-19, 2022

ELKINS, TROLLEY RIDE & EVENING DINNER-SHOW

Departures, as applicable, from Parma/Cleveland West, Middleburg Heights, Independence, Beachwood, Macedonia.

Join us on a rail-themed tour that centers on two excursions and an additional evening enjoying a dinner followed by entertainment.

There are a number of fascinating inclusions in this weekend tour but one that stands out will be our visit to the Gandy Dancer Dinner & Theater Show. After our meal we will be seeing a live performance by a group of talented musicians and dancers who incorporate comedy and passion into a Branson-style show. The American Bus Association has awarded these shows the “*Best of the Best*” Award for four straight years.

We will be boarding the Mountain Explorer passenger train at the Elkins Train Depot, built way back in 1908 in the heart of downtown. This Dinner Train brings back to life the era of fine dining on the rails. It will be traveling through the national forest and generally makes a stop at the High Falls of Cheat. Enjoy the four-course meal, prepared right aboard the train.

And, for our next “*rail experience*”, we have arranged a visit to a Trolley Museum that is dedicated to the operation and preservation of streetcars and trolleys. The museum contains historic trolleys from Pennsylvania, Toledo, Cleveland and New Orleans plus an open-sided car from Brazil. The trolley barn also has a number of streetcars awaiting their rebuilds, to bring them back to the early days of public transit systems. Of course, no visit would be complete without a ride on a restored trolley along their right-of-way in Washington County.
