

Great Day! Scheduled Tour Summary

SPRING GREEN & RACINE

WED-SAT JUNE 22-25, 2022

Departures, as applicable, from Willoughby-Mayfield, Beachwood, Independence, Middleburg Heights, North Olmsted, Elyria, Sandusky, Toledo/Perrysburg.

This is an all-new combination of tour destinations but does include some portions of our other popular packages, some which go back quite a few years, so they should be new to you. Our destinations center on two of our more requested, fascinating destinations, The House on the Rock in Spring Green and the attractions in Racine, both in *"the Badger State"*, Wisconsin.

One of the dazzling carousels you will be seeing with 269 animals, 20,000 lights & 183 chandeliers.

While the House on the Rock began over 60 years ago, it has grown to become what has been termed a "majestic work-in-progress". Since that original structure, the original structure evolved to include displays and collections of the exotic, the unusual and the amazing, including double-deck carousels, instruments that play themselves and "streets of yesteryear".

We will be attending an evening performance at the Palace Theater in the Dells Dinner Playhouse, where the classic musical, *"Cinderella"*, will be performed following our meal.

Friday finds us in Racine at the Case-IH Experience Center with its many exhibits including historic, current and future pieces of equipment that they produce. Some of the oldest tractors on display date back to 1913.

During our time in Racine, we will be visiting S.C. Johnson's Fortaleza Hall that honors the spirit of adventure and their company's core values that go into the products that you purchase from this fourth- the largest commercial project that Frank Lloyd Wright ever built.
