

Great Day! Scheduled Tour Summary

K-9s, VINES & EQUINE

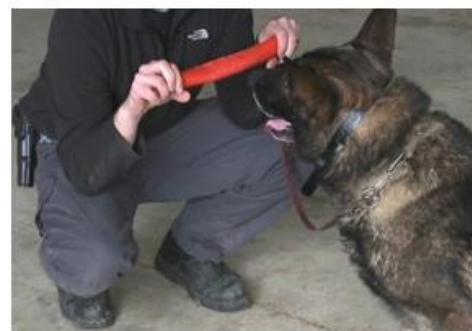

THURS JUNE 23, 2022

Departures, as applicable, from Willoughby-Mayfield, Beachwood, Independence, Middleburg Heights, North Olmsted, Elyria, Sandusky.

This interesting annual package travels to an area originally named “Lower Sandusky” in the northwest part of Ohio; while not located near present-day Sandusky, it is located on the west bank of the Sandusky River, about 40 miles from Toledo. Although it has nothing to do with this tour, it has a nickname of the “*cutlery capital of the world*” and was the home of Rutherford B. Hayes who served as President of our country from 1877 to 1881.

Our first visit of the day will be at a center that trains dogs to serve in law enforcement and the military. We’ll be seeing how the K-9s have been trained for over 25 years. These dogs learn to play catch, identify scents from their unique toys and track down narcotics. If a bad guy takes off running and ignores the verbal commands of the officer, these dogs will be employed to “*take them down*”. Our luncheon will be the next stop where everything is oh-so-tasty.

Then we will be interacting with Belgian Horses or Clydesdales (based on the show schedule for these two breeds). Our last stop of the day will be at one of the countryside wineries. We’ll have them serving each person a wine-tasting tray with five wine samples as we listen to the owners telling their personal stories of starting the business and growing it over the years.
