

Great Day! Scheduled Tour Summary

GETTYSBURG BATTLEFIELD TOUR

WED-THUR JUNE 29-30, 2022

Departures, as applicable, from Elyria, North Olmsted, Middleburg Heights, Independence, Mayfield, Beachwood, Macedonia.

Gettysburg was the location of the major battle of the Civil War and a turning point in that conflict. Putting the activities of those days into perspective, we have reservations for the NPS's "New Birth of Freedom", narrated by Morgan Freeman, and then the Gettysburg Cyclorama with the dramatic 1884 painting "Pickett's Charge".

Our evening dinner will be at a historic inn, built in 1776. The Dobbin House still has some of the gun shot embedded in the walls.

We will be traveling through the Battlefield aboard our motorcoach with our Battlefield guide. We will be touring the site where the Confederate Army of Northern Virginia, with 70,000 men under the command of General Robert E. Lee, and 94,000 men under the command of Major General George G. Meade, fought for three days during July of 1863. While a third of General Lee's troops died during the fighting, only one civilian, Jennie Wade, died during the battle. Our tour of the Battlefield is not just a ride-through, but rather an unbelievable "experience" with a Licensed Guide, giving a tour as graphic as if he/she had lived through each moment of that time.
