Affectionately known as "*America's Orchestra*," the Boston Pops was established in 1885 and has become one of the most beloved orchestras, thanks to Arthur Fiedler. From the start, he set out to present, in the warmer months, concerts of "light classics" and the popular music of the day. The "*Popular Concerts*" eventually became shortened to "*Pops*".

**SATURDAY**- We begin our journey and will travel to the Village of Herkimer NY; named after German immigrants who settled here in 1722. We'll board the canal boat for a cruise through one of the historic Lock 18, capable of raising and lowering vessels over 20 feet! Dinner is included before we check into the Burrstone Inn. **(D)**
