

Great Day! Scheduled Tour Summary

AMISH DOOR VILLAGE & SHOW

FRI JULY 8, 2022

Departures, as applicable, from North Olmsted, Middleburg Hts, Independence, Mayfield, Beachwood, Macedonia.

Even if you've been to Ohio's Amish Country, there is a good chance that you just may have missed the dining-shopping complex in Wilmot, Ohio. The Amish Door Village which sits atop a rise overlooking the countryside, has a restaurant, bakery, market and a gorgeous

Inn, complemented with a flowing staircase in the main lobby. The original restaurant first opened over 45 years ago with just 48-seats. Over the years, major construction projects have led to what is now Amish Door Village. Located in a quiet, relaxing setting it hosts groups, weddings, receptions and shows and will be a place you should find most inviting.

We were especially impressed with one of the bakery items our reps brought back with them after a recent visit. Although it may be a seasonal item, it does show the unique quality offered. The freshly-baked pie had twelve apples in it and weighed close to five pounds . . . not something you

see very often now-a-days. Our luncheon will be at the Amish Door Restaurant, known for its delicious meats, such as broasted chicken, "real mashed potatoes", homemade bread and fresh pies.

Following our meal, we will board the coach for the short trip into Berlin, Ohio, where we have reserved seats at the Amish Country Theater, located in its remarkable newly-constructed 600-seat auditorium, it has been voted one of the "Top 100 Events in North America" by the American Bus Association. We will be seeing one of their Variety Shows, with lively music, a ventriloquist whom you may have seen during one of his national television appearances, a "country bumpkin" known for his humor and comedy-singing performances, all while accompanied by the show band.
