We have been offering this tour for many years and this year we have upgraded the itinerary to include additional time in Boston, Plymouth, the Island of Nantucket, a casino-resort and the very tip of the Cape, Provincetown. It is an upgraded tour, with local guides showcasing the fascinating points along the way and you'll even have a chance to order lobster or, as an alternate, a steak, during our *"Cape Cod Experience"*. We've included three nights of rooms in Hyannis, referred to, by many, as the *"Capital of the Cape"*.

**MONDAY** – We will be staying at the Turning Stone Resort in Verona, where dinner awaits you and, for those interested, *"gaming action"*, with some *"slot free play"*. **(D)**

**TUESDAY** – After breakfast in one of the hotel restaurants, we depart for Massachusetts. We will be making several stops as we travel today. Dinner awaits us upon our arrival at the Holiday Inn Hyannis where we will be staying three nights. **(B, D)**

we will travel to the nearby dock in Hyannis to board the boat that will take us to Nantucket. . . If you are not already aware of all that this destination has to offer, it is an island about twenty miles long that is one of the most beautiful in New England, with a long history of whaling, but now thrives on its tourism that brings many visitors during the warmer months.

Nantucket has many places to shop, to browse and to dine during our *"day on the island"* and, of course, you will be seeing a number of the popular sites. Upon our return to the mainland, we will be dining at a popular restaurant where you can select a lobster or steak dinner. Bon Appetit! **(B, D)**

**THURSDAY** – Provincetown & Hyannis – After breakfast, our guide will be joining us as we enjoy the picturesque trip aboard the coach out to the *"end of the Cape"* . . . Provincetown. There will be time to purchase lunch and to shop or browse in "P-Town", as locals call
