

# Great Day! Scheduled Tour Summary

**SAFARI ADVENTURE AND A TIN GOOSE**

**FRI JULY 20, 2022**

Departures, as applicable, from Mayfield, Beachwood, Independence, Middleburg Heights, North Olmsted, Elyria.

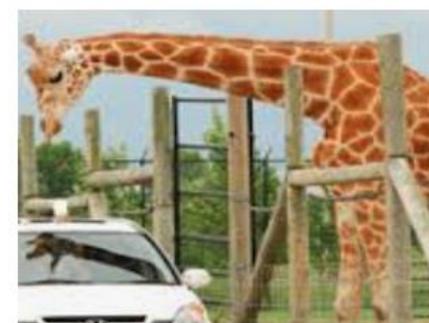

The African Lion Safari is no “newcomer” to Ohio and has been entertaining our passengers for years. Spread out over many acres, there are animals ranging, alphabetically, from Alpaca to Zebra, with many others in-between. There are Bactrian Camels which have two humps and are well suited for the colder weather. They have bushy eyebrows, a double row of eyelashes and the ability to close their nostrils to protect from blowing sand.

There are also giraffes, llama, bison, bongos, elk, fallow deer and many other species. The Scottish Highlander cattle sometimes weigh up to 2,200 pounds and can “dine” on 150 pounds of grass each day. We’ve planned our visit for the time of day that the animals are most lively.

We will also be visiting the Liberty Aviation Museum, a “working museum” where aircraft, vehicles, and historical artifacts, are undergoing restoration at this airport which still hosts air events. Generally, guests can view the restoration work as a Ford Tri-Motor (aka “Tin Goose”) is being worked on by the volunteers. No, we will not be flying on this historic aircraft since they were first built over 90 years ago, but will be seeing the world’s first all-metal, multi-engine, commercial airliner. We will be dining at the Tin Goose Diner, a vintage 1950's diner that is sure to bring back fond memories.

We will also be making a stop at an Ice Cream Parlor whose history dates back to the early 1900s.
