

# Great Day! Scheduled Tour Summary

**GERMAN VILLAGE HAS STORIES TO TELL**

**TUES AUG 9, 2022**

**Departures, as applicable, from Mayfield, Beachwood, Independence, Middleburg Heights, North Olmsted, Medina, Mansfield.**

Located just eight blocks from the State Capitol in Downtown Columbus, the German Village Historic District traces its roots back to 1814 when it was known as the “*South End*”. At that time, it was originally referred to as “*die alte sud ende*”. German descendants comprised as much as a third of the entire population of the city of Columbus.

As the immigrants arrived, they immediately felt at home since German was spoken in the stores, schools, and churches. After work, most of the workers relaxed in “bier gardens” and most belonged to gymnastic and singing societies.

During our combination driving-walking tour of this several-block area, you will be learning, from our guide, some of the stories to be discovered as we see the brick streets and wrought-iron fences, learning of the urban pioneers who triggered the 20<sup>th</sup>-century restoration of this historic district.

***Willkommen!*** In keeping with the theme of this tour, we will be dining in the heart of German Village at a restaurant that’s been there since 1886. Here, we will be dining on German specialties, including one of their tasty desserts, like cream puffs!

Our staff has included a candy company with samples, of course, of their top-notch chocolates (that your Tour Director will be purchasing for all passengers) and there will be a visit to the “Flag Lady” where she offers almost every type of U.S.-made flag, including the “*Betsy Ross*” and the “*Spirit of ‘76*” versions to display to say that we are proud to be Americans!
