Western New York State is known for its wineries, fields of beautiful blooming flowers and festivities. Fall tours remain especially popular with Great Day! passengers and we've been offering this package for over 32 years so that our guests can delight in the boundless fall beauty, with a luncheon at a Chautauqua County resort befitting the elegance of the region and nestled between colorful mountain slopes.

There will be a winetasting and a delightful luncheon at the Inn at the Peak Resort, built in a gorgeous Tudor style, The scenic setting of the Inn is always popular and especially beautiful during the Fall Foliage Season. We've again expanded the tour to include their Fall Craft Fest event . . . always enjoyed by guests of the Inn. **When making your reservation, please advise of your entrée selection of: Chicken Florentine or Bistro Steak with demi-glace sauce.**

The Great Day! tour staff could not agree any more than with a philosopher who, many years ago, stated ***“If you want to be happy for a lifetime, grow chrysanthemums.”*** They were described as early as the 15th Century B.C. and were introduced into the Western World during the 17th Century A.D. and into our country during colonial times. Its popularity has grown so much that mums now reign as undisputed ***“Queen of the Fall Flowers.”***
