Departures, as applicable, from Mayfield, Beachwood, Independence, North Olmsted, Middleburg Heights, Elyria, Sandusky, Toledo South.

It was back in the early 1900s that the rich and famous were known for their homes and hospitality offered to their friends. Join us on this tour as we travel to Rochester, Michigan, which is located north of Detroit, to celebrate over fifty years of this National Historic Landmark that's as impressive and beautiful as ever. Since we are "going back a few years", our staff is offering this tour at the same identical price that we charged in 2019.

Meadow Brook is the estate built by one of the automotive aristocracy's most remarkable women, Matilda Dodge Wilson, and her second husband, a lumber broker. We'll be dining, in style, on a luncheon reminiscent of the grandeur of the estate", touring the elegant rooms of the grand manor and following the path to Knole Cottage and Danny's Cabin.

This Tudor-Revival style mansion continues to impress over a century later, as an historic house museum, event & wedding venue, and cultural center renowned for its grand scale, lush gardens and stunning architecture. It is certainly going to impress those traveling with us during this tour, a date we've selected in anticipation that there will be many vibrant fall foliage colors greeting us as we travel along.
