NIAGARA FALLS

Niagara Falls was one of the first cities in Canada to have electricity and it is never more evident than during the magic of their Winter Festival of Lights. It is anticipated that the 39th anniversary of this event will be one of the brightest yet as they capture the magic of the holiday season. A passport or passport card is required for this tour since we will be traveling into Canada, staying there one evening. Currently, an enhanced driver's license is not being accepted for this border crossing.

Passengers will capture the magic of the holidays as we tour, seeing the beautiful lights that bring over a million people from around the world to this popular region. This past year included many decorated trees, a 3-dimensional Canadian wildlife display, the world's largest Canadian-American Flag and the illumination of Niagara's iconic Skylon Tower, as well as the annual fireworks. Sponsored by who else but Ontario Power Generation, the festival captures the magic of the holiday season and promises "the brightest season yet!"

We will be staying at the Embassy Suites by Hilton Niagara Falls-Fallsview, a short five to ten minute walk from Fallsview Casino.

This year's tour has been upgraded as our "gift" to you. Dinner will be served overlooking the Falls while we enjoy the festive holiday lights from yet a different view. Guests will be selecting from choice entrees of roast prime rib, herb-crusted chicken supreme, broiled fresh salmon filet or wild mushroom ravioli.

Two meals are included in this year's tour as is time to see the Falls, the attractions on Clifton Hill and,
