

# Great Day! Scheduled Tour Summary

## CHRISTMAS TIME ON THE ARK & AT THE CREATION MUSEUM WED-THUR DECEMBER 7-8, 2022

Departures, as applicable, from Mayfield, Beachwood, Independence, North Olmsted, Middleburg Heights, Mansfield, Columbus, Grove City, Washington CH.

This holiday season we are offering a unique visit to two attractions that you may have been to in the past, but never when they are so festively decorated for the Christmas Holidays . . . a time when the messages are even more meaningful.

It's not enough to say that the life-sized Ark is "spectacular", but when you add the brilliant lights, holiday displays and the gardens illuminated in a "sea of rainbow-colored lights", is even more so! We'll be arriving during the early afternoon to explore Noah's Ark, built to "biblical proportions". While no one has ever discovered the "original Ark", we will be seeing this massive wooden structure with dimensions as described in the Bible.

As we explore, we will be seeing how Noah and his family may have lived. There will be time to celebrate Christmas, seeing animals from around the world at the Ararat Ridge Zoo, exploring the petting zoo or imagining that you are living in biblical times, saddling up for a ride on a camel.

### **GREAT DAY! TOURS & CHARTER BUS SERVICE . . . (440) 526-5350 . . . (800) 362-4905**

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 8 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 8 PM to 10 PM, although this may vary.

Dinner is included at their Seasonal Buffet with various festive treats before we experience the evening's "*ChristmasTime*", learning how this holiday began in Genesis, discovering why Jesus came and what it means for us today through a spectacular Video Program, Christmas Carols, and a Sea of Lights.

On Wednesday, after breakfast, we will be traveling the short coach ride to Petersburg, home of the Creation Museum, built by the same dedicated folks who constructed the Ark. It's also "*decked out*" for the holidays, with biblical history vividly coming to life at this world-class museum with their "*Christmas Town*". You'll walk through the exhibits, encountering the Garden of Eden, an animatronic Noah and flood dioramas.

But, on this holiday tour, you'll also be experiencing the wonder that surrounded the Savior's birth at Christmas while touring the dazzling garden of lights, reflecting on the true meaning of the season at the live Nativity and various garden lights displays.

A midday meal is served before we depart for home and, possibly, you'll want to take some of Uncle Leroy's Fudge home for gift giving. You may be wondering why we think this is so special, until you taste it yourself. The fudge is prepared in a traditional copper kettle where the ingredients melt together to form the beginning of a sweet delicacy. After the ingredients are cooked, the fudge is poured onto a 750-pound marble slab where the artisans work it by hand into eye-catching loaves, then cutting slices of about 8 ounces.
