

# Great Day! Scheduled Tour Summary

**SPRINGTIME IN SAN ANTONIO**

**WED-SUN APRIL 19-30, 2023**

Departures, as applic: Beachwood/Orange, Independence, Parma/Cleve.West, Middleburg Hts, Mansfield, Grove City.

This inclusive tour was expanded with additional destinations last year and became an instant “top destination”. We invite you to consider it for 2023. As always, we’ve scheduled the departure so that we will be arriving in San Antonio to both enjoy the city’s history and highlights plus the Illuminated Parade of Lights on Monday evening. During this annual event there are entertainers, festive outfits and music as

these boats float by our reserved seating along the San Antonio River, just outside our hotel, with each boat competing with their singing, dancing and bead-tossing during the River Parade of Lights. Each evening while we are here, the hotel will be providing cocktails, wine and beer for your enjoyment before our meal.

One of the new add-ons that first appeared on this tour last year was most-well received. After all, who does not remember the “Dallas” television series? Passengers were impressed as we toured South Fork Ranch and, afterwards, generally dining in the Ewing family’s Boardroom. You might feel that you are a cast member of the popular television series “*Dallas*”. *This is just one of the 22 meals included in this tour package, all at a price that remains most competitive this year, given all the upgraded inclusions in it. But these are just some of the highlights of this tour package in 2023.*

- *The Alamo*, originally named *Misión San Antonio de Valero*. It was founded in the 18th century as a Roman Catholic Mission and fortress compound and is best known for the 1836 standoff between a group of Texans, led by Davy Crockett and Jim Bowie, as they battled Mexican dictator Santa Anna. You will not only be visiting this historic location, but it will be through the eyes of our professional San Antonio Guide who will be with us through the day.
