## DINING AT LEMONT, ATOP SCENIC MOUNT WASHINGTON

**SAT JUNE 3, 2023**

Departures, as applic: Parma/Cleve.West, Middleburg Hts, Independence, Beachwood, Macedonia.

LeMont, atop scenic Mount Washington, is known as “*The Place for Special Occasions*” in Pittsburgh and offers a spectacular view of the Three Rivers “*Triangle*” as well as Downtown.

A winner of Pittsburgh’s “*Five Star Diamond Award*”, this restaurant has been serving guests for well over fifty years. It is in a structure originally designed in 1905 for the Grandview Nickelodeon Theatre, the location that led to the creation of the world’s film industry over 100 years ago. The success of this new media drew the attention of several Hollywood legends. Its popularity eventually led to the creation of Metro-Goldwyn-Mayer Studios (MGM). And from its very beginnings, LeMont was synonymous with opulence. Interestingly, history has it that Johnny Carson used to hit golf balls into the river from on top of its roof.

Please advise us of your special entrée selection when booking this tour: **(1) Chicken Marsala sautéed with mushroom blend in a sweet wine sauce** or **(2) Atlantic Salmon chargrilled with honey soy sauce.**

Charming Mount Washington, known for its panoramic city views, is now home to many upscale businesses, with many of those residents choosing the convenient access offered by one of two inclines, the Monongahela and Duquesne, that climb up the hill, similar to that in Johnstown, offering an even more spectacular view of the city. You will have the opportunity to enjoy one of these historic inclines while we are here.

We will also be touring the city with our local guide and taking a 90-minute cruise on the Three Rivers during this upscale visit to a most popular city during the summer.
