**NEW FOR 2023 – CHOOSE FROM UPGRADED MENU SELECTIONS**

Departures, as applic: Elyria, No.Olmsted, Middleburg Hts, Independence  
 Beachwood/Orange.

This tour is again being offered just after we celebrate the Independence of our Country, enjoying those things that so many fought to preserve. Highlights include a leisurely afternoon cruise and dining at the fabulous Grand Concourse Restaurant in the historic Station Square, an architectural wonder. Long ago, people came to the riverfront to meet passengers arriving on the Pittsburgh & Lake Erie Railroad with its passenger business thriving from 1879 through the late 1940s. Today, it celebrates the history of that era and has been transformed into Pittsburgh's premier dining and entertainment destination. The restaurant, decorated in dark wood, is gorgeous and always enjoyed.

This year we've upgraded the meal entrees . . . and you get to choose: **Grilled Antarctic Salmon, Coconut Shrimp with Mango Salsa, Encrusted Parmesan Snapper or Lemon Chicken with Artichoke Hearts.** Please advise your choice when calling in your reservation or in the Comments Box if signing up online.

During the summer afternoon cruise aboard one of the Gateway Clipper Fleet's five riverboats, you can hear the Captain's narration of all the glorious city sights including two Inclines (the Duquesne and the Monongahela) and the Three Rivers area where the Allegheny, Monongahela and Ohio flow together. We will be seeing the city from the river, from our motorcoach and from above, traveling aboard the historic Duquesne Incline, with its restored 1877-era cable cars; the cars travel slowly up Mount Washington for a great view along the way. As one car goes up, the other car comes down at the same relaxing six miles per hour. You may want to bring your camera to capture the view. A great meal and a leisurely cruise on a warm summer afternoon just might have you calling it a "Great Day"!
