

# Great Day! Scheduled Tour Summary

## VICTORIAN CHAUTAUQUA & ATHENAEUM HOTEL THURS JULY 6, 2023

Departures, as applic: Parma/Cleve.West, Middleburg Heights, Independence, Beachwood/Orange, Mayfield, Ashtabula

This upscale tour package attracts those who appreciate the “*fantasy of the Victorian era*”. This region of New York State is home to the Chautauqua Institution where we’ve included time to enjoy the grounds and the views as well as a classic luncheon. We will be passing through the gate into this impressive lakefront community to begin our “*Chautauqua Experience*” . . . stepping back into another era with its peace, prosperity and refined sensibilities. It’s an interesting Victorian village and home to one of America’s oldest and most famous summer arts festivals. A National Historic Landmark, it was founded in 1874 by an inventor and a Bishop as a teaching camp for Sunday School teachers. Chautauqua provides a picturesque setting with a nineteenth century ambience and offers a richly-woven tapestry of programs and entertainment throughout the year that have attracted people to this pristine lakeside facility for more than a century.

In keeping with the nature of the tour, our luncheon will be served at the historic Athenaeum Hotel. This impressive hotel sits atop a tree-shaded hill overlooking picturesque Lake Chautauqua on the grounds of the Institution, serving guests since 1881.

Even your meal choices are “something special”. When booking, please advise if you would prefer a **chicken, fish or steak entrée**; last year’s group enjoyed citrus-baked Pacific cod with tomato & garlic cream sauce, stuffed chicken breast with pan jus or grilled sirloin steak with Diane sauce.

We have also included a stop at a chocolate candy store that specializes in various chocolates including chocolate potato chips, goat milk fudge and sugar-free peanut butter cups and pecan frogs. One of the offerings that many of our passengers discovered last year was their delicious ice cream! Enjoy this tour package that we began offering over two decades ago.
