

Great Day! Scheduled Tour Summary

NATIONAL AIR MUSEUM, WRIGHT PATTERSON AFB SAT JULY 29, 2023

Departures, as applic: Beachwood/Orange, Independence, Middleburg Hts, Mansfield.

We are offering this tour to the National Museum of the United States Air Force at Wright Patterson Air Force Base, at the same price as last year, and less than the price from two years ago. This should be a perfect time, near the end of July, and prior to school being back in session, to take a short jaunt to the Dayton area to visit these galleries. The displays present military aviation history and boast more than 360 aerospace vehicles and missiles, many of them being rare or one-of-a-kind, along

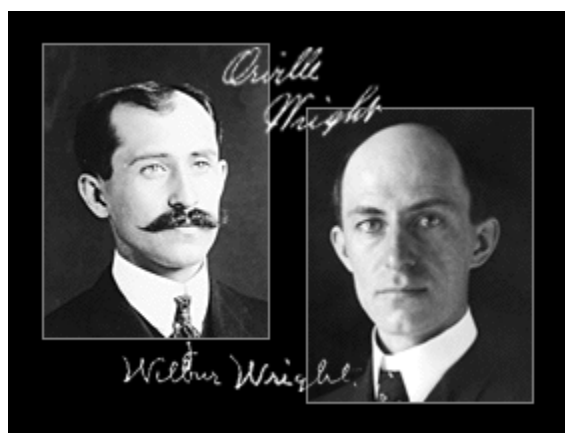

with thousands of historical items and “*powerful sensory exhibits*”. The Presidential Aircraft display has been relocated into the main museum and is spectacular, with aircraft as large as the Boeing 707 “*Air Force One*”. It’s the world’s largest and oldest military aviation museum.

You’ll be connecting with the legacy of the Wright Brothers and how it led to today’s stealth and precision technology.
