

Great Day! Scheduled Tour Summary

AMISH COUNTRY AT THE BERLIN GRANDE TUE-WED, AUGUST 29-30, 2023

Departures, as applic: Beachwood/Orange, Independence, No.Olmsted, Middleburg Hts, Medina.

TWO SHOWS THIS YEAR! You'll be discovering a lot of great things are happening as you immerse yourself in Ohio's history and the relaxing Amish culture, the beautiful scenery, and the great food. And what better way can we do this than at the beautiful Berlin Grande Hotel, centrally located in the heart of the activities! This year, one of the two shows we will be enjoying from our reserved seats will be "Dear Soldier Boy", a Broadway-style performance at the Ohio Star Theater. We have reserved seats at this beautiful, spacious theater, perfectly designed for Broadway-style performances, musicals and concerts through-out the year.

This light-hearted, feel-good musical romantic comedy, by Emmy-nominated writer Martha Bolton, is a story that follows Anna King at a time that the Amish shun violence, but, with the Korean War going on . . . she wants to help. Feeling that the soldiers must be lonely being so far away, she writes them letters of encouragement. But three of these soldiers think the letters are something more. Not only do all three have their leave on the same weekend they also all propose marriage! What will Anna do? What will Anna's father do if he finds out? Does she love any of these men? Sign up for this tour so that you can discover how it ends.

Our second show, at the Amish Country Theater, will be "*Udder Nonsense*", an original, award-winning comedy variety show! This performance has comedians, a ventriloquist, magic, and "The Beachy Boys", plus a vocalist.

Since we are in Amish Country, we will be including a number of the more popular stops as well as a few you may never have heard of. While we are here, there is an antique shop, Christmas store, craft mall and other attractions. Along the way, we will also be visiting a store where the Amish shop for non-electric appliances and necessities for a simpler life; have you ever seen a gas-powered refrigerator?
