## **ADDITIONAL SHOW FOR 2023, COCKTAIL PARTIES AND MORE TO ENJOY!**

You know that we always include a lot of music in our tours to Branson and, each year, select some really great venues. This year you can be confident that, not only does this tour have “*feel good*” music that is sure to warm up your heart, it has more and better meals than you might have seen others offering and, to get the tour off to a good start, we have included two cocktail parties.

Upon our arrival in Branson, we anticipate having the champion fiddle player from both Roy Clark’s Band and Presley’s Country Jubilee greeting the group and Mark just may be playing a number or two just for you. And this year’s itinerary includes quite impressive shows, not the least of which is an additional show that has been added over last year’s September Branson Show Tour.

- The Dutton Show; The entire Dutton family will be entertaining you as they sing and dance. One of our groups recently voted it their favorite show in Branson.
- The #1 Hits of the ‘60s; 20 years ago, the Welk Group suggested this show that brings back the music of the 1960’s . . . all in one show, for you to enjoy. See Right >>>
- The Texas Tenors; enjoy their show with great voices and background entertainers.
- Doug Gabriel; With 36 years in Branson, if you have not seen his show yet, make sure that 2023 is the year to do it, hearing the various numbers from Doug, his troupe including singers and dancers and, for those who have never seen it, watch him play his “mufftar”, a muffler from a Ford Mustang that has been reconfigured into one of the guitars he performs with . . . it is quite unique.
- Neil Diamond Tribute: Enjoy his most popular songs such as “*Longfellow Serenade*”, “*You Don’t Bring Me Flowers*”, “*Hello Again*”, “*America*” and “*Sweet Caroline*”.
- Six: This is a powerhouse “Vocal Band” featuring six real brothers who take musical entertainment to a whole new level, being accomplished pioneers of contemporary a cappella, Infusing lively choreography and comedy.
