Pearl to Taylor Swift”?

This tour is most relaxing since all three nights are at the same Nashville hotel, with just one check-in and one check-out. For 2023, we’ve included 7 meals and again, admissions to an additional performance, The Opry Country Classic Show! Our staff has included yet another place you should find most interesting, the Madame Tussauds Wax Museum. Here, the world's most famous attraction of its type is “celebrating American music”, focusing on the lyrical legends that have shaped America’s Country Music landscape. This multi-sensory experience will make you the star of the show by allowing you to get up close and personal with some of your favorite musical talents. It will take you on a journey through time alongside a colorful cast of iconic figures from the worlds of country, rock, pop, jazz and blues. Where else can you “meet the stars of Music City and pose for photos with everyone from Johnny Cash and Minnie

On the afternoon of our arrival, following a lunch stop near Cincinnati, we will be having dinner with cocktails at the hotel before we are seated at our first show at the Opry House.

The next morning, we will be having breakfast before our narrated tour of Nashville Music City USA. One of the stops will include admissions to the Ryman Auditorium, a “*living museum*”, “*where it all started*”. At lunch time you will be in Downtown Nashville where you can select from the many choices of restaurants; there is bound to be one that best suits you, Nashville-Style. Our next stop has us traveling over to the Country Music Hall of Fame & Museum. Music and history lovers always enjoy the exhibits found here, from plaques dedicated to country music's finest, from Patsy Cline to Johnny Cash, and walk among artifacts like Jimmie Rodger's guitar and Elvis Presley's solid gold Cadillac limo.

Enjoy dinner before sitting back at the Nashville Nightlife Theater, seeing why this has been voted Nashville’s # 1 dinner show!

Always enjoyed, there will be a cruise aboard the General Jackson Showboat, offering a lively luncheon show as we cruise Tennessee’s Cumberland River. There are four decks
