

# Great Day! Scheduled Tour Summary

**GOING SWISS -- TWO WINERIES & TASTING**

**TUE SEPT 19, 2023**

---

**Departures, as applic: Middleburg Hts, No.Olmsted, Independence, Beachwood/Orange, Macedonia.**

This tour, introduced last year, travels to “*The Little Switzerland of Ohio*” in the Heart of the Largest Amish Community in the Country and, for 2023, we have expanded the inclusions! We will be visiting two of the most popular wineries where we will be enjoying tastings, a glass of wine and, of course, some appetizers such as assorted cheeses . . . also produced in this region.

Our first stop today will be at Breitenbach Wine Cellars on the outskirts of Sugarcreek. Opened in 1980 by an experienced winemaker, its name is German, translates into “bright or *broad stream*”, and it is the same name as the waterway that runs through the winery grounds. When it first opened, the initial production was just 1,500 gallons of grape and fruit wine. After several expansions, this Wine Cellar now produces over 40 varieties of grape and fruit wines that totals

over 150,000 gallons annually. As important as the wine itself, this winery provides visitors a beautiful, peaceful setting. With so many wines available, there is a wine for everyone, from connoisseurs, to those who have never visited a vineyard before. During the day, there will be several bottles of wine given during the drawings.

Our mid-day luncheon will be at the Dutch Village Complex with shopping opportunities, a bakery and even a shop featuring locally-prepared meats, and keeping with the theme of this tour, locally-produced cheese. At the time announced by your Tour Director, we will be visiting the Swiss Heritage Winery and the Broad Run Cheesehouse. There will be time to explore the newest winery area that features vaulted ceilings, a stone fireplace, a patio & deck and windows to view the wine production.

Keeping with the theme of this one-day tour, we will be traveling into Downtown Sugarcreek, which carries on the theme of Ohio’s “*Little Switzerland*” as we see the beautiful Glockenspiel, with time for shopping at the Swiss Village Bulk Store. This store has all of the traditional bulk foods and spices you would expect to find in your local bulk foods store but probably a lot more varieties. From baking essentials to seasonings, you’ll find just what you’re looking for here.
