

Great Day! Scheduled Tour Summary

CHICAGO TWO-DAY IN DOWNTOWN

WED-THUR OCT 11-12, 2023

Departures, as applic: Beachwood/Orange, Independence, Middleburg Hts, North Olmsted, Elyria, Sandusky.

In recent years, we have received suggestions from a select group of passengers requesting an alternative to our annual July Chicago tour with its inclusions already built into it; those requests asked specifically that more time be provided by staying in downtown to, for example, visit restaurants of their choosing, to shop and browse such as along the Magnificent Mile, to select museums or a specific cruise, or to view the city from atop one of the observation decks, and to attend a show such as Broadway in Chicago which offers musical shows at various theaters in the area.

This tour includes roundtrip transportation into Chicago, rooms at a downtown, non-suburban, hotel, breakfast and an afternoon dinner as we travel homeward on Thursday. This tour has been assembled to meet those

requests and should certainly allow you to do things, and see sights, at your own pace, utilizing any local transportation that you may select on your own, since there is no local parking in the vicinity of the hotel for the motorcoach.

We do recommend that you book early due to the terms of the hotel which would require that the trip be cancelled if we do not have enough passengers by their cut-off date. We also recommend that you wait until booking any non-refundable local tours or show tickets until such time that you receive your final confirmation-itinerary for this tour. Our staff has listened and present, for 2023, this new package to meet those requests. Come, join us.

For those who are looking for the inclusive three-day tour, it is still available for your consideration this year, as it has been for over a quarter-century.
