## EXPANDED TO INCLUDE 7<sup>th</sup> SHOW IN 2023!!!

You know that we always include a lot of music in our tours to Branson and, each year, select some really great venues since November means it is **Branson's Holiday Show Season**. This year you can be confident that, not only does this tour have "feel good" Holiday Musicals that are sure to warm up your heart, it has more and better meals than you might have seen others offering and, to get the Season off to a good start, we have included two cocktail parties. We will be staying at The Thousand Hills Resort (formerly the Radisson Hotel) along Highway 76.

Upon our arrival in Branson, we anticipate having the champion fiddle player from both Roy Clark's Band and Presley's Country Jubilee greeting you and he just may be playing a number or two just for you. And this year's itinerary includes quite impressive shows, not the least of which is the upgraded tickets we have secured to see the top requested entertainer who arrives each year from his home in Ireland.

- Daniel O'Donnell, known for his exceptional voice and boyish charm, returns for a limited engagement, singing long-time favorites from around the worlds.
- Grand Jubilee offers a mix of classic country, gospel, rock 'n' roll, and Top 40.
- Clay Cooper's Country Express with plenty of live music, both Holiday and other types, dancing for this "feel good" show.
- Branson's Christmas Wonderland, one of the largest productions in Branson, and sure to warm up your Holiday Season.
- CJ Newson's Classic Country & Comedy - Our company has followed this performer, almost since she first started out and have enjoyed seeing her grow in her performances the Re-Cliners Band and others in her cast of entertainers.
- Hot Rods & High Heels - This show features music from the 1950s.
- Presley's Country Jubilee - For those of you who watch them on their weekly television show, you know what to expect . . . great music, wonderful singing and a bit of comedy from Herkimer and his son. These folks are great friends of Great Day! Tours.
