

Great Day! Scheduled Tour Summary

THE HOLIDAY LIGHTS OF CLIFTON MILL THUR-FRI NOV 30- DEC 1, 2023

Departures, as applic: Beachwood/Orange, Independence, No.Olmsted, Middleburg Hts, Medina.

Clifton is a historic town in Green County, settled during the late 1700s along the banks of Little Miami River. The location of the village made it a hub for early Ohio industry and travel. In 1802, a former Revolutionary War Soldier built Historic Clifton Mill, one of the largest water-powered grist mills still in existence. The current mill traces its roots back to that first structure that was constructed over 200 years ago. But it is even more known in recent years for its legendary holiday lights, an event which was recently named as one of USA Today's "10 Best Readers' Choice Travel Awards". Each Christmas season Clifton Mill is decorated "with over 4 million lights illuminating the mill, the gorge, the riverbanks, trees and bridges. There is even a 100-foot Waterfall of Twinkling Lights,

a Miniature Village, a Santa Claus Museum, a Toy Collection and a Spectacular Synchronized Lights-Music Show that features their Old Covered Bridge. Visitors even get to see Santa check his list and go up the chimney to load his sleigh.

While this is one of the very special stops that should "get you into the Holiday Mood", there is so much more. We will be having dinner followed by a live performance of Meredith Willson's musical, "Miracle on 34th Street", a festive musical with beautiful costumes and many of your favorite holiday songs.

We will be stopping at a candle shop, offering many holiday items, and driving through a Holiday Lights Display, seeing these popular lights from the warmth of the motorcoach.
