

Great Day! Scheduled Tour Summary

SPRING IN BRANSON, SAME PRICE

SUN-THUR JUNE 9 - 13, 2024

Departures, as applic: Beachwood/Orange, Independence, Parma/Cleve.West, Middleburg Hts, Mansfield, Columbus-North.

Welcome to our first Branson tour of 2024, as we arrive to the spring-like temperatures and gentle breezes that the Ozark Mountains are known for. The theaters are alive with their shows, both new and old favorites, with Great Day! keeping last year's prices for you! And, every night in Branson, Missouri, we will be staying at the Comfort Inn Thousand Hills, known for their hospitality. For those enjoying an opportunity to "kick back", we have included two cocktail parties for your enjoyment. What could get us into the mood than enjoying Dublin's Irish Tenors and Celtic Ladies", after dinner at Tastes & Taps. Performed at the King's Castle, this ensemble of Irish Stars from "Spirit of the Dance!" will take you on a musical journey which includes some Opera, Jazz, Pop, Swing and, of course, Irish Classics. Later, who does not remember the tunes of the Beach Boys during the surf era? Enjoy their hits and other 60s groups.

We will travel to the Clay Cooper Theatre, bringing back memories as we relive the life and music of Elvis Presley in this concert experience! While the name of the next show may be similar, there is really no direct connection between Elvis and Presley's Country Jubilee, the original show on Route 76 that is now home to close to 100 theaters and attractions.

Another show included in this tour package is Doug Gabriel and his performers, creating a most enjoyable variety show. Later, since the weather is typically so enjoyable in the Ozarks during June, we have planned a three-course dinner cruise on pristine Table Rock Lake aboard a gorgeous paddlewheel showboat, while being entertained by performers with plenty of colorful costumes, singing and dancing, similar to the magnificent showboats of the 1800s.
