MORE INCLUSION FOR 2024, COCKTAIL PARTIES & 2 ADDITIONAL MEALS!

You know that we always include a lot of music in our tours to Branson and, each year, select some really great venues. This year you can be confident that, not only does this tour have “*feel good*” music that is sure to warm up your heart, it has more and better meals than you might have seen others offering and, to get the tour off to a good start, we have included two cocktail parties..

Upon our arrival in Branson, we anticipate having the champion fiddle player from both Roy Clark’s Band and Presley’s Country Jubilee greeting the group and Mark just may be playing a number or two just for you. And this year’s itinerary includes many of the top shows, both new and long-time favorites, plus an additional museum attraction that has been added over last year’s September Branson Show Tour. Compare with what we are offering you on this tour package to Missouri . . .

- Dinner at the **SS Dockside Café** on the evening of our arrival, followed by the performance by **SIX**, a powerhouse “Vocal Band” featuring six real brothers who take musical entertainment to a whole new level.
- After one of our five breakfasts included in this tour package, your motorcoach will be transporting you to the Grand Country Music Hall where we have secured tickets for what has been voted “**Best In Classic Branson**”, the Down Home Country Show.
- This afternoon, following lunch, we will be visiting the new addition to this September tour package, the replica of the **Titanic**, a Museum Attraction that celebrates the ship, the passengers and the ship’s crew! It is like “opening a door to the past” of this most famous luxury liner, in its one-of-a-kind way.
- After Dinner at the **Pickin’ Porch Grill**, we have reserved seats to see **New Jersey Nights**, a spectacular celebration of the music of Frankie Valli and The Four Seasons, taking you on a nostalgic musical journey through the career of one of the biggest selling groups of all times.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6 AM and 9:35 AM with the exact time shown on the itinerary you will receive approximately two weeks prior to the tour departure. Most tours return about 8:30 PM to 9:45 PM, although this may vary.

- The next day, following breakfast, we will be traveling the short distance to enjoy **Hot Rods & High Heels**, a most entertaining “throwback show” where you can relive life in the 50's and '60s.
- After lunch today, we will be attending the performance of the famous **Baldknobbers**. It's a country music and comedy variety show that “put Branson on the Map” over sixty years ago, in 1959.
- This evening we will be enjoying the dinner-show featuring the **Million Dollar Quartet**. This Broadway hit, based on the Tony award-winning production, takes you back to 1956 in the Sun Records Studios when Elvis Presley, Johnny Cash, Carl Perkins, and Jerry Lee Lewis actually came together for the greatest jam session in music history. Who can ever forget hits like “Great Balls of Fire”, “Hound Dog”, “I Walk the Line”, and “Whole Lotta Shakin' Goin' On”?
