

Great Day! Scheduled Tour Summary

VIRGINIA BEACH IN SPRING, PLENTY OF MUSIC! SAT-WED APRIL 26-30, 2025

Departures, as applic: Elyria, Parma/Cleve.West, Middleburg Hts, Independence, Beachwood/Orange, Macedonia.

If you enjoy fascinating destinations, great meals, and music, this tour is perfectly timed to welcome Spring along the East Coast. Our first evening dinner, to start you off, will be in Virginia at a seafood and steak restaurant located on the Occoquan River. On Sunday we will be having a luncheon buffet, right at the Sheraton Norfolk Waterside. Enjoy "Hullabaloo" as we make our way into the arena for military bands, dancers and drill teams. Sit back and enjoy the "International Tattoo" performances from your premium reserved seats. For those who may not be fully aware of these performances, it is a spectacle of military splendor, part parade, part theater, and sometimes, part circus. Tattoo features bands, military drill teams, and more! Afterwards we will return to the Holiday Inn & Suites North Beach. We have set aside free time to explore the area on your own as well as visiting the popular 34-foot, 12-ton King Neptune Statue Gateway Park.

We will be touring the Military Aviation Museum, taking us back in time to when aircrafts were spectacular and learn how our heroes never let us down. Then it is off to the "Mermaid Beach Bash" with more music, by the "Original Rhondels", a group that began as a Beach Band right here in Virginia Beach. You may recall some of their hits including "*What Kind of Fool Do You Think I Am?*"

Our next evening will be at Grand Affair, where we will be greeted at a "Mermaid Welcome Reception". Enjoy passed hors d'oeuvres with white glove service; a cash bar will be available as we partake Swedish cocktail meatballs, stuffed mushrooms, mini crab cakes, and cocktail shrimp shooters before our dinner buffet of boneless breast of chicken marsala, braised beef brisket with savory gravy and herb-cruste salmon with lemon dill cream. Our next visit finds us touring Nauticus, exploring the power of the sea. This high-tech, virtual reality "museum" is located adjacent to the Battleship USS Wisconsin, which we will be boarding. Learn about the role that the Port of Hampton Roads has played in world maritime affairs. We have also included the "*Living Sea*", a movie that takes you into the world of the Oceans! See humpback whales, olden jellyfish, and much more...
