

# Great Day! Scheduled Tour Summary

**MYSTERY TOUR SCT WITH GIFT**

**THUR JUNE 12, 2025**

**Departure locations, if applic: Beachwood/Orange, Independence, Middleburg Hts, No.Olmsted, Elyria.**

Mystery Tour # SCT once again combines a unique perspective of a region and makes a couple of shopping stops, includes a demonstration of an age-old art, has us dining at a fascinating historic inn and, for something rare now-a-days, a fairly nice gift for each passenger, generally in a box, or other packaging, to protect it.

Join our onboard Tour Director and Driver who will be taking you on a Mystery Tour to a town that dates to 1822. Since this is a one-day tour, you have probably already figured out that our destination will not be in North Carolina, Louisiana or Wisconsin today, even though some of our longer tours just might be headed that way.

The Tour Director will be relating history of the area, including the construction of a much-needed dam, a mill and other fascinating information on how that mill was even used to grind rocks to pave the streets many years ago following a devastating flood, a project that kept forty men busy for an entire year. The restaurant where we will be dining was built many years after those original structures. We hope that we have not given out too many details of where we will be visiting today.
