

Great Day! Scheduled Tour Summary

**GERMAN VILLAGE “IN DIE ALTE ENDE” WITH ENTERTAINMENT *
PLENTY OF BEER & WINE TO ENJOY TUES AUG 5, 2025**

Departures, as applic: Beachwood/Orange, Independence, No.Olmsted, Middleburg Hts, Medina, Mansfield.

Located just eight blocks from the current State Capitol, the German Village Historic District traces its roots back to 1814 when it was known as the “*Old South End*”. German descendants made up a third of the entire population of Columbus, many of them moving into this part of the town when they arrived. You will be learning stories of its history as we travel the brick streets with its wrought-iron fences in this historic district.

When the Germans arrived in Central Ohio, they brought their taste for beer with recipes developed over the years in Europe. A number of breweries sprang up in the area with many, in one form or another, surviving to serve guests these days.

But beer was not the only beverage in favor with the arriving immigrants. It has been said that the “16th century church reformer Martin Luther also had some thoughts on wine, being quoted as having said that “beer is man-made, but wine comes from God.” There must be some credence to this claim since, in a typical year, the German people consume over a half-million gallons of wine. For this reason, you will have choices to select various wines or beers during this tour, based on your tastes . . . as part of the tour package.

In keeping with the theme of this tour, we will be dining in the heart of German Village at a restaurant that’s been there since 1886. Here, we will be dining on German specialties and, this year, our staff has again added entertainment to enjoy during lunch!
