What makes for a Memorable Tour, as Fall approaches, more than a combination of a tram tour through the colorful foliage of Dogwood Canyon in the Ozark Mountains, live shows, wonderful meals and, perhaps, a cocktail to complement dinner?

The Dogwood Canyon Tram Tour showcases the natural beauty and rugged scenery in this portion of the Ozarks, the largest highland region between the Appalachian and Rocky Mountains. But do not think we have left out the best part of our annual September Branson tours, the shows, starting out with everyone's favorites, The Texas Tenors, a group we have been including based past requests.

Our visit to Branson continues at Clay Cooper's Theatre to see his Country Express Show. We have always enjoyed the incredible dancers, singers and musicians with music of all styles including country, rock n roll, gospel, and even patriotic! The patriotic theme continues at Heroes, Tastes & Taps.

One of our twelve meals will be the dinner-show at Dolly Parton's Stampede. This dinner-entertainment venue features 32 magnificent horses and a cast of top-notch riders. If you have been watching the RFD Network over the years, you have undoubtedly grown to love the weekly shows that featured The Duttons. What started out as winners on America's Got Talent, has developed into one of the top shows in Branson with its singing, dancing and wholesome humor. Another of the incredible shows will be Hamners Unbelievable variety show you'll experience illusions, beautiful aerials and Vegas-style musical numbers! As in the past, along the way we will be including meals at a steak house and at Buca di Beppo.
