Western New York State is known for its inns, wineries, fields of beautiful blooming flowers and festivities. Fall tours remain especially popular with Great Day! passengers and we've been offering this package for over 34 years so that our guests can delight in the boundless fall beauty, with a luncheon at a Chautauqua County resort befitting the elegance of the region and nestled between colorful mountain slopes.

There will be a winetasting and then a delightful luncheon at the Inn at the Peak Resort, built in a gorgeous Tudor style, The scenic setting of the Inn is always popular and especially beautiful during the Fall Foliage Season. We've again expanded the tour to include their Fall Craft Fest event, always enjoyed by guests. Brilliant foliage sets the scene for a juried craft show with more than 100 vendors and a farmers' market.

The Great Day! tour staff could not agree any more than with a philosopher who, many years ago, stated ***“If you want to be happy for a lifetime, grow chrysanthemums.”*** They were described as early as the 15<sup>th</sup> Century B.C. and were introduced into the Western World during the 17<sup>th</sup> Century A.D. and into our country during colonial times. Its popularity has grown so much that mums now reign as undisputed ***“Queen of the Fall Flowers.”***

Enjoy the Fall Craft Fest and, before departing, your Tour Director will be giving each passenger a **beautiful fall chrysanthemum** that has been purchased to take home. And, since candy goes great with flowers, we will be stopping at a candy store on the way home.
