

Great Day! Scheduled Tour Summary

FALL IN LANCASTER WITH "NOAH" AT SIGHT & SOUND THEATRE THREE-DAY EXPANDED TOUR TUES-THUR OCTOBER 21-23, 2025

Departures, as applic: Elyria, Middleburg Hts, No.Olmsted, Independence, Beachwood/Orange, Macedonia.

This tour is one of our most comprehensive packages to this area and we are proud to offer it for your consideration. Those groups who have traveled on this itinerary have been most enthusiastic over its inclusions, especially since most every stop was "something new". Needless to say, this tour centers around the production of "Noah", being performed at the Sight & Sound Theatre for one season only. "With a catastrophic storm on its way, Noah is given a monumental task: build a boat big enough to save his family from a flood that will cover the entire earth. As Noah endeavors to live faithfully in the midst of an increasingly chaotic world, can he trust that God's promises run deeper than the rising waters around him?"

But, again, this is only the start of our three days of touring with, of course, two nights of rooms with breakfast each morning. We have also scheduled a visit to a farm whose original homestead was established in 1736. You will be seeing what has grown to be a large dairy farm in action, seeing the steps on how milk, eggs and ice cream are processed as we ride through the barns.

This tour definitely has something for everyone including our next stop at a "Car Barn", located in a quaint neighboring town. It offers a nostalgic journey through the golden age of the American auto industry. A stop will be made at Kitchen Kettle Village, offering authentic Pennsylvania Dutch Country shopping, homemade food and specialty shops.

Turkey Hill is an American brand that has been headquartered in Lancaster County since 1931, continuing the "nostalgic flavor" of this tour, with an emphasis on "taste". The company is long known for its frozen desserts, beverages, and iced tea that is sold in the United States and internationally. The Turkey Hill Experience features interactive exhibits allowing you to create your own virtual ice cream flavor, package, and commercial. Enjoy plenty of unlimited samples of iced tea and ice cream. We will also be visiting a shoppe that specializes in some of the tastiest chocolates in the area.
