NIAGARA WINTER FESTIVAL OF LIGHTS

TUES-WED DEC 2-3, 2025

Departures, as applic: Parma/Cleve. West, Middleburg Hts, Independence, Beachwood/Orange, Mayfield, Ashtabula

Niagara Falls was one of the first cities in Canada to have electricity and it is never more evident than during the magic of their Winter Festival of Lights. It is anticipated that the 41st anniversary of this event will be one of the brightest yet as they capture the magic of the holiday season. A passport or passport card is required since we travel into Canada, staying at the **Embassy Suites by Hilton**, the closest **hotel** to the **Falls**, and **just a five-to-ten minute walk from Fallsview Casino**. Currently Customs is not accepting an enhanced Ohio driver's license for this border crossing.

NIAGARA FALLS

Passengers will capture the magic of the holidays as we tour, seeing the beautiful lights that bring over a million people from around the world to this popular region. This past year included many decorated trees, a 3-dimensional Canadian wildlife display, the world's largest Canadian-American Flag and the illumination of Niagara's iconic Skylon Tower, as well as the annual fireworks. Sponsored by who else but Ontario Power Generation, the festival captures the magic of the holiday season and promises "the brightest season yet!"

This year's tour has again been upgraded as our "gift" to you. Dinner will be served overlooking the Falls while we enjoy the festive holiday lights from yet a different view. Guests will be selecting from choice entrees, typically roast prime rib, herb-crusted chicken supreme, broiled fresh salmon filet or wild mushroom ravioli.
