In today's changing travel environment, it's important to protect your trip investment so you can relax and enjoy your trip. Unforeseen events such as flight delays, baggage loss or even an unexpected sickness or injury could impact your travel plans. Great Day! Tours recommends that you purchase a travel protection plan to help protect you and your travel investment against the unexpected. Travel protection plans can include coverage for Trip Cancellation, Trip Interruption, Emergency Medical and Emergency Evacuation/Repatriation, Trip Delay, Baggage Delay and more but we recommend knowing what that coverage may include.

For your convenience, we suggest considering travel protection through NTA Travel Protection. For more information on the available plans or to enroll, go to <https://nta.aontravelprotect.com/index.jsf> or contact NTA at 800-388-1470 and reference location number 356116.
