

Great Day! Scheduled Tour Summary

TULIP TIME, HOLLAND TULIP FESTIVAL WITH 2 SHOWS FOR 2026 THU-SAT MAY 7 - 9, 2026

Departures, as applic: Beachwood/Orange, Independence, Middleburg Hts., No. Olmsted, Elyria, Sandusky

We know of no other tour with so much included at **Holland Tulip Time**. With two shows and five meals, why not join with us for the 2026 Tulip Festival? At our first stop we will be enjoying a luncheon followed by Virginia Cate's "Elvis Has Left The Building". "It's 1970 and Elvis Presley has disappeared. With his manager "The Colonel" struggling to pay off a secret debt, his only option is to find an Elvis impersonator within 24 hours, all while keeping a nosy reporter at bay and figuring out what happened to the real Elvis." Afterwards, we will be checking into our hotel, where supper awaits us.

We'll "Learn About the "Dutch", starting at Windmill Island & Gardens with its 100,000 tulips ...it's a beauty to behold. Always impressive, "DeZwaan", America's oldest Dutch windmill, stands tall over the gardens. It was first erected in Krommenie, Holland in 1761 and later brought here to be re-assembled. Our next stops will include Dutch Village, Veldheer Tulip Gardens, DeKlomp Wooden Shoe & Delft factory as well as the Queen's Inn for lunch.

Dinner is included before we take our seats for the "Headliner Show", featuring comedian and magician Michael Carbonaro. You may have seen his hit television series "The Carbonaro Effect"! On Saturday our Holland Tulip Guide takes us, aboard the motorcoach, through the brightly-decorated eight-mile Tulip Lane, seeing bright arrangements and gardens as we learn the history of both the Netherlands and the city of Holland, Michigan, founded by Dutch immigrants in the late 1840s. And, after lunch, we will be seeing the street sweepers preparing for the parade of bands, marchers and floats, with many of them performing and marching in the wooden shows you saw being made.
