

Great Day! Scheduled Tour Summary

HOT AIR BALLOON FESTIVAL

SAT, JUNE 6, 2026

Departure locations, if applic: Parma/Cleve.West, Middleburg Hts, Independence, Broadview Hts.

What traveler has not heard about the majestic Hot Air Balloons that rise into the sky over Albuquerque? They are colorful, beautiful and stunning, especially as the sun is preparing to set off to the west. Each year thousands of visitors travel to New Mexico to experience this event with one of the downsides being the distance traveled. After all, it is located about 1599 miles from Cleveland, whether we travel by car, bus, plane or, perhaps, a Hot Air Balloon.

For over 40 years, hot air balloons have been floating over the hills and valleys of Coshocton County. Food vendors, festival rides, craft booths, musical entertainment Hot Air Balloon launches are all part of this event.

This tour, with a revised pickup schedule, departs early afternoon, arriving in time to purchase a snack, visit the booths, meet the pilots and, about 6:30 PM, see the balloon launch. We plan on staying to see the fireworks display too. All inclusions are subject to weather conditions.
