## COOPERSTOWN, BASEBALL HALL OF FAME & CANAL CRUISE SAT-SUN. JUNE 20-21, 2026

Departures, as applic: Elyria, No. Olmsted, Middleburg Hts., Independence, Beachwood/Orange, Mayfield, Geneva or Ashtabula/Austinburg

After a number of requests to add this tour for your consideration, we are pleased to present a tour that includes several interesting venues, however the Baseball Hall of Fame has been the most asked-for inclusion. Given the requests received, our Staff will be operating it over a weekend to permit the most number of passengers to travel with us.

Along the way, we will be taking a Canal Boat Cruise through the gorgeous scenery of the Mohawk Valley. Enjoy the calm waters of the Erie Canal while hearing of the history of the area and its locks. Following our cruise, we will be having dinner before checking into our hotel.

The next morning, we will be arriving at what is officially called the National the Baseball Hall of Fame & Museum, not too long after it opens for the day. The founders have described this as “the hallowed home of America’s pastime, the National Baseball Hall of Fame and Museum highlights the Cooperstown experience, as every fan’s ‘Field of Dreams.’” It has also been acclaimed to “foster a deep appreciation of baseball and its place in history through interactive exhibits and special events.”

Enjoy the Plaque Gallery, considered one of the “crown jewels” of the Museum, experience baseball history through artifacts on display, which showcase the important moments on the field as well as the game’s monumental impact on our society. There’s plenty to explore.
