Great Day! Scheduled Tour Summary

HISTORIC PADDLEWHEEL EXPERIENCE SAT AUG 7, 2027

Departures, as applic: Parma/Cleveland West, Middleburg Hts, Independence, Beachwood/Orange, Macedonia.

This annual tour has plenty of history and remains most reminiscent of America's last 250 years. Many years ago, in 1788, pioneers of the Ohio Company made Marietta the first permanent settlement in our country's Northwest Territory, Marietta. Join us as we rediscover this picturesque river town and, in keeping with the theme, we will be dining at a historic Inn which got its name from the Marquis de Lafayette, the first "tourist" to visit here.

Marie-Joseph Paul Yves Roch Gilbert du Motier, better known as "Lafayette", was a French aristocrat and military officer in the Continental Army who fought in the American Revolutionary War. He commanded American troops in a number of battles, including during the Siege of Yorktown, while commuting back and forth to Europe where he served as a Lieutenant General in the French Army during the French Revolution.

We will be dining in a hotel known for its collection of long rifles, each identified for its place in history.

We'll then travel to the dock on the Ohio River to board the paddlewheel riverboat, cruising Marietta's two navigable rivers, and crossing the border into West Virginia. There is nothing like the gentle splash of the paddlewheel on a warm afternoon to remind you of a bygone era.
